PATENT

REMARKS/ARGUMENTS

The specification has been amended to insert the Sequence Listing that is being filed concurrently herewith. In addition, sequence ID numbers have been corrected to correspond with the submitted Sequence Listing. Please note that double underlining was used to note added material because the text already contained underlining to show certain structural features. No new matter has been added.

Applicants respectfully submit that the present application is in condition for allowance. Favorable consideration and an early notice of allowance are respectfully requested.
